

PROGRAM

- 8.00-8.50 REGISTRATION
8.50-9.00 Welcome, President, WSV
- 9.00-9.35 Distribution and abundance of weeds across Australia. **Chris Auricht, National Land & Water Coordinator, Adelaide.**
- 9.35-10.10 A Monitoring, Evaluation and Reporting Framework for Invasive Plants and Animals in Victoria. **Andrew Hodges, Investment Manager, Invasive Plants and Animals, DPI.**
- 10.10-10.40 MORNING TEA
- 10.40-11.10 Planning for successful weed control. **Phillip Jobling, Nufarm P/L, National Grassmanship Coordinator.**
- 11.10-11.40 The WoNS program, challenges and success to date and an outline for the future. **Scott Chirnside, Chair of National Serrated Tussock Taskforce & National Chilean needle grass Taskforce.**
- 11.40-12.10 The National Willows Program: A case study of WoNS challenges and success. **Kelly Snell, DPI, Geelong.**
- 12.10-12.40 Once you have controlled the weeds - what to do next. **Michael Grant, Stephen Pasture Seeds.**
- 12.40-14.30 LUNCH & AGM
- 14.30-14.50 The effects of herbicides and picking flowers on seed production in *Hieracium*. **Jennifer Bear, The University of Melbourne.**
- 14.50-15.20 A community based approach to heel cactus control. **Ian Grenda, Nuggetty Land Care, Tarrengower Cactus Committee.**
- 15.20-15.50 TBA. **Michael Moerkerk, DPI, Horsham.**
- 15.50-16.20 AFTERNOON TEA
- 16.20-16.50 Using the MERI to raise the profile of weed management. **Julie Hind, Evolving Ways, Wodonga.**
- 16.50-17.20 When is it feasible to eradicate? A quantitative approach. **Aaron Dodd, DPI, Bacchus Marsh.**

How did you get that weed, why is it there and when did it come? Could you have controlled it if you had identified it earlier?
So what do you do now?

Come listen to some good weed management stories, what people have done to monitor and evaluate what needed to be done after a management program.

Join us for the AGM after the seminar, come and join the committee and have your say how we should be run, or join the committee and have your say about the 2012 Australasian Weeds Conference to be run by the Weed Society of Victoria for the Council of Australasian Weeds Societies.

WEED MANAGEMENT - WORTH THE INVESTMENT?

THURSDAY 15TH APRIL 2010

WEED MANAGEMENT - WORTH THE INVESTMENT?

Gain the latest facts and figures on weeds and the worth of managing them.

This seminar will cover issues such as:

- impacts measurement
- mapping (as part of measuring success)
- success stories
- cost benefit analysis
- how to identify a problem earlier enough to prevent an infestation.
